Public Comment Disclaimer: I have read and understand the Public Comment Disclaimer.

Comments: Due to the conservation and recreation impacts of this proposed project, I am strongly against this development. Being a member of the Grafton Land Trust who, along with my family, use the town's trails and open spaces for hikes, walks, recreation, etc., I honestly do not feel that the location of this development serves our town well. I am not in support of this proposal. Thank you.
